

# **Gala Theatre - STUDIO**

***Technical Specification for visiting companies***

***January 2019***

**Gala Theatre  
Millennium Place  
Durham  
DH1 1WA**

## **The Studio**

The Gala Theatre Studio is a studio space which is located on the 2<sup>nd</sup> floor of the Gala Theatre, Durham. It has a drinks bar along one side which can be open during an event if needed, and a glass windowed wall opposite. There are full black surge curtains on tracking around the room to create a blackout. The floor is semi-sprung and of wooden construction which cannot be screwed in to.

## **Dimensions**

The space is approximately 22m long, 6m wide and 3.3m high.

## **Get-In**

Please note, access to the studio is either via 2 flights of stairs or via a passenger/goods lift up to the 2<sup>nd</sup> floor. The lift measures 1100mm wide x 2000mm deep.

## **Capacity**

The studio has a capacity of 100 people seated, which can either be set up in theatre or cabaret style with tables.

## **Flying**

There is no flying available.

## **Staging**

Decks 6 x 2m x 1m decks

A number of legs at different sizes are available.
