

Ministry of Science Live – transcript

[Audio: Upbeat music throughout]

0.00-0.05 The screen is blue, with the orange Ministry of Science logo on screen. A male voiceover says, 'It's time for Ministry of Science'.

0.05-0.37 A series of clips show scientists on stage carrying out scientific experiments for the audience. Different reviews appear on screen that read, 'The audience are screaming and shouting for more' The Sussex Newspaper, 'Why wasn't science this much fun when I was a kid?' Entertainment South Wales, 'It was not just entertaining, but also educational. Even I learned a few new things!' '50:50 oxygen hydrogen. Shaking the Alban Arena. Thank you, Ministry of Science, for enthusing the next generation.' 'The kids learn while having fun – so they don't even realise they are learning.' 'Kids in the audience were on the edge of their seats the whole time.' 'In the words of my five-year-old, epic and awesome, when can I watch them again?' 'What a great way to spend an afternoon. I forgot I was a teacher. I learnt something too.'

0.14-0.19 Whilst the series of clips of the scientists on stage are playing. A male voiceover says 'Ministry of Science's sole purpose is to engage with children around the world and to hopefully inspire the next generation of scientists'

0.19-0.22 It is then followed by a female voiceover that says, 'It's 100% educational, 300% fun'

0.37-0.39 The screen is blue, with the orange Ministry of Science logo on screen.
