

## Wolf Witch Giant Fairy video transcript

[Audio: Opera singing throughout]

The screen is black, and text appears that reads 'Trafalgar releasing'. We hear a male voice shout 'One, two, one, two, three, four'. Followed by a series of clips of the cast dancing around on a dimly lit stage. We see different woodland and animal characters.

As the clips play, text on screen appears in the following order 'A folk opera', 'of music', mischief, and magic, for the whole family.'

The screen goes dark, and the spotlight is shining on one of the characters so all that can be seen is a silhouette. Text appears on screen that reads 'Royal Opera, Wolf Witch Giant Fairy, special screenings in cinemas, [rbo.org.uk/cinemas](http://rbo.org.uk/cinemas)'.
